

HOW TO ENTER THAILAND FROM 1 JUNE 2022

Register on Thailand Pass via <https://tp.consular.go.th/>

Requirements for entering Thailand

1. COVID-19 vaccination certificates or COVID-19 test results
2. A minimum of 10,000 USD equivalent of travel insurance that covers medical expenses related to COVID-19
3. Copy of a valid passport

The Thailand Pass QR code will be auto-generated immediately after registration.

Airlines are required to pre-check for Thailand Pass QR code prior to issuing a boarding pass.

Upon arrival in Thailand, travelers are required to go through the health screening process at the airport.
