Phuket Sandbox

- Phuket Island to reopen for visitors on 1 July

- Fully vaccinated travellers from countries with low to medium risk, according to Ministry of Public Health, to be welcome

Koh Samui, Koh Phangan, and Koh Tao in the Gulf of Thailand to be reopen later on 15 July

Pre-arrival

- Have a Certificate of Entry – COE;
- Have a medical certificate with an RT-PCR laboratory result indicating that COVID-19 is not detected, issued no more than 72 hours before departure;
- Have COVID-19 health insurance with a minimum coverage of US$100,000;
- Come from countries with a low to medium risk, as announced by the Ministry of Public Health;
- Have a vaccine certificate to proof that they are fully vaccinated against COVID-19 no less than 14 days before the travel date;
- Register through www.entrythailand.go.th.

Arrival

- Undergo Immigration and Customs procedures, and a COVID-19 screening, including RT-PCR tests;
- Install the "Thailand Plus" application and other apps as specified by the province;
- Check in at a pre-booked SHA Plus-certified accommodation establishment for Phuket, and ALQ for Koh Samui, Koh Phangan, and Koh Tao.

Stay

- Phuket: If an infection is not detected, travelers may travel in the province but must stay in Phuket for at least 14 days;
- Koh Samui, Koh Phangan, and Koh Tao:

  Days 1-3 of arrival: Able to leave the room and use the services at the accommodation;

  Days 4-7 of arrival: Travel in a closed system along specified routes;

  Days 8-15 of arrival: Travel in the island.

Additionally, travelers must undergo a COVID-19 test using an RT-PCR method on days 6-7 and 12-13 of their arrival as per the Ministry of Public Health's guidelines.
